Dear Parents and Carers

New for 2024 – The Crescent Christmas Experience

This Saturday is the Crescent Christmas Market 11am – 2pm and this year we have a new attraction: The Crescent Christmas Experience!

The experience will start at the Yr 1 entrance from the Playground (between Moon & Venus Class) where Santa has parked 2 of his Reindeer. Once inside the children will make up a bag of Reindeer food ready to sprinkle outside on Christmas Eve. After this they will move into the Bauble Factory where they can make a special bauble to take home. Lastly, they will get to meet the main man himself for a special Storytime with Santa.

At each stage they will have their tickets stamped and when they have completed their experience Santa's elf will give them a gift.

Tickets for the experience will be available to purchase on entry to the event, as you come through the school office, and they are £4.00 each. They will not be sold in advance.

There are time slots for the experience and children will be in max groups of 12 (plus parents / carers). The first experience will start at 11.15, so make sure you get your tickets as you enter.

As well as this new attraction we will also have lots of games, craft activities, entertainment plus cakes & refreshments, including our mulled wine bar! We will also have over 20 market stalls selling lots of handmade gifts, perfect for some Christmas shopping or just to treat yourself!

Don't forget the Crescent Big Raffle! If you have any unsold stubs at home please return them on Friday 6th December so they can be sold at the event. We have over 25 great prizes – check out the list at FOTC on Facebook.

We are looking forward to seeing you on Saturday.

Many thanks for your support.

Yours faithfully,

Friends of The Crescent PTA
