Young Voices Concert 21st January 2027

Dear Parents/Carers,

After the success of last years Young Voices, we have decided to participate in the **Young Voices 2027** performance at the **02 Arena in London**. It is an unforgettable experience with lighting, sound and special guests. I am delighted to invite your child to take part in this opportunity to sing with school choirs from across the country.

The event takes place on **Thursday 21st January 2027** but we need your support and commitment early on to ensure everything runs smoothly. Please take a moment to complete our online form to confirm your child is interested in participating. The organisation required for an event of this nature is quite extensive, and your timely response will help us immensely in our planning.

We are thrilled to announce a fantastic opportunity for all children in Years 5 and 6! We have 40 places available for an exciting event in London, and these will be allocated randomly to those who express interest. Please note that there will be a charge of approximately £36 per pupil, which will cover the cost of transport to and from London. If your child is successful, a letter detailing the total cost and payment schedule will be sent out shortly and payments will open on Arbor.

Before you commit, please be aware that the children will leave for the venue after registration but will not return from London until after the concert has finished. This is likely to be after midnight. Confirmation of pick up arrangements and timings will be shared nearer the time. Additionally, it is essential to note that your child is expected to attend school the following day. If you think this schedule may be too overwhelming for them please consider this before making a commitment..

Also, there will be an opportunity to buy a **Young Voices t-shirt** to wear at the event at an additional cost of £16.50. However, a plain white t-shirt can be worn instead. Please indicate your intention to purchase a t-shirt on our online form.

Tickets for families to attend the event will be available through the Young Voices online parent portal. If your child is lucky enough to be one of the 40 to secure a place, you will receive details of how to purchase tickets. Please be aware that tickets sell out quickly and we cannot guarantee anybody tickets to see their child. Also, children will travel to and from the venue on the coach and will be collected from the school. We cannot allow children to be collected from the venue.

Your child **must** be available for the day of the concert. Unfortunately, refunds cannot be given as we have to make an advanced payment and commitment on numbers. Also, by signing up for the event, your child is committing to choir rehearsals that will take place on Thursday lunchtime from the week commencing 21st September.

This is a spectacular experience and we invite you to complete and submit our online [form](#) if you would like your child to participate. The form will close at 10pm on Sunday 20th September.

Please feel free to contact me if you have any further questions or visit their [website](#) for more information.

Kind regards

Ms Humphries
