Dear Parents and Carers,

We are pleased to let you know that our link contacts from **Eastleigh Mental Health Support Team (MHST - the early help branch of CAMHS)** will be visiting school during parents' evening on **Wednesday 21st October**.

They will be available throughout the evening, from **3:45pm until 7:00pm** and will be based in the school reception area.

This is a great opportunity for parents and carers to:

- Find out more about the support available for children and families.
- Ask general questions about children's mental health and wellbeing.
- Collect leaflets and information about services and resources that may be helpful.

There is no need to book an appointment. You are welcome to pop by for a chat or to collect some information while you are in school for parents' evening.

We recognise the importance of supporting children's mental health and wellbeing, and hope this provides a helpful opportunity to find out more about the support available to families.

Warm regards,

Miss Bush
