Year R
Sublime Science Visit
18th January 2027

Dear Parents/Carers,

As part of our 'Explorers' topic in Year R, children will be learning about weather and seasons. To support this learning Sublime Science will be visiting school on Monday 18th January 2027. They will show the children some science activities and end the session making slime for each child to bring home.

We are asking for a voluntary contribution of £5.40 per child to be paid by 18th December 2026. If preferred, payment may be made in two instalments:

- £2.70 by 31st October 2026
- £2.70 by 30th November 2026

The most convenient way to make your contribution is online via Arbor. If you have not already registered to make payments in this way, please contact the school office.

We believe these visits will provide a valuable and enjoyable learning experience for the children. However, in accordance with the Governors' Educational Visits Policy, if we do not receive at least 85% of the total cost in voluntary contributions, the visits will unfortunately have to be cancelled. If you are experiencing genuine financial difficulties, please contact the school in confidence so that we can discuss this with you individually.

During the visits, we will take photographs and videos which will be shared with you via Tapestry.

We look forward to sharing this memorable experience with the children.

Yours sincerely,
Miss A Davis
