One Crescent, One World: Light Festivals Around the World

Dear Parents/Carers,

We are very pleased to share that this year we will be celebrating a special day dedicated to One Crescent, One World (Light Festivals Around the World) on **Wednesday 9th December 2026**. As part of this event, each year group will be researching a light festival from a different country around the world.

As this is an event that is important to our whole school community, we would love to invite parents and carers to get involved. If you are interested, you are welcome to share your knowledge of one of the festivals through a short presentation to the children. Please note that, to support the organisation of the day, you may be asked to present to a class other than your child's, as each year group will be researching a different festival.

Each year group will focus on a different festival. If you would like to share your knowledge, enthusiasm or love of one of these celebrations, please contact either Mrs Dulay or Mrs Silcox via the school office.

The festivals being studied are as follows:

- **Year R** - Christmas Light Festivals from Around the World
- **Year 1** - Lantern Festival, China
- **Year 2** - Diwali, India
- **Year 3** - Loy Krathong, Thailand
- **Year 4** - Hanukkah, the Jewish Festival of Lights
- **Year 5** - Fête des Lumières, France
- **Year 6** - St Lucia's Day, Sweden

We look forward to hearing from you and working together to make this a memorable learning experience for all of our children.

Yours sincerely,

Mrs P Dulay — Equality & Diversity Leader

Mrs N Silcox — Pupil Voice Leader
