Year 4 Multiplication Tables Check

Dear Parents/Carers,

This is a reminder that Year 4 pupils will be completing the Multiplication Tables Check (MTC) during the month of June. The test is fast approaching and the children are working very hard in school to achieve their best. Any additional support you can provide at home is greatly appreciated.

As you may know, the MTC is administered in school using iPads. It consists of 25 questions, with 6 seconds allowed for each answer.

I have attached the parent information sheet for your reference. Please find below a link that will allow children to access a practice MTC website. There is no requirement to do this; however, the website simulates the actual test so allows children to practice under time pressure should they wish to.

[MTC Test - URBrainy](#)

Please also find a link to 'Hit the Button' which will allow children to practise a certain timestable.

[Hit the Button - Quick fire maths practise for 6-11 year olds](#)

If you have any questions, please do not hesitate to contact us.

Kind regards,

Miss Ashbolt
Year 4 Lead
