## Sports Day 2026

KS1 – 3<sup>rd</sup> June 2026 & KS2 – 10<sup>th</sup> June 2026

Thank you for your patience. I am pleased to share the details of Sports Day 2026 for both KS1 and KS2.

As listed on our school calendar, Sports Day for KS1 will take place on the afternoon of Wednesday 3rd June 2026 and Sports Day for KS2 will take place on the afternoon of Wednesday 10th June 2026. Both events will begin at 1:30pm, with families able to enter the school grounds from 1:20pm.

From 1:20pm on either day, families will be able to enter via both the front and back gates. As the sporting events will take place throughout the afternoon, we aim to finish by 3:25pm. However, we apologise in advance if the event runs slightly over, as we would like all children to have the opportunity to complete Sports Day in its entirety.

We are also pleased to confirm that a refreshments van will be available on both afternoons, where drinks may be purchased. Please note that refreshments are intended for spectators only and should not be purchased for children participating in the events.

Children in both KS1 and KS2 will take part in a 'merry go round' of activities throughout the afternoon, alongside a seeded race at the end of Sports Day. To ensure every child has the opportunity to participate in a race, during the 'merry go round' activities there will be a relay.

As we are anticipating warm weather, please ensure your child comes to school with:

- a hat,
- sun cream already applied,
- and a named water bottle.

Unlike previous years, there will not be a designated rest station. Instead, there will be a short break during the afternoon, so it is important that children have a water bottle they can carry with them throughout the event.

Please also ensure your child has their PE kit in school, including the correct coloured T-shirt to represent their House:

- **Apollo – Green**
- **Discovery – Blue**
- **Phoenix – Yellow**
- **Voyager – Red**

We look forward to welcoming you and are excited for you to join us for what promises to be a fantastic Sports Day 2026!

Yours sincerely

Mr Tavender  
PE Lead

**Reach for the Stars**
