Lion King Production: Costumes

Dear Parents and Carers

As your children may have told you, we have been rehearsing hard in school in preparation for our shows next month.

We have sourced a lot of costumes but do need your help. Please can you send your child in with the following items so they can be left in the small hall in a **named carrier bag** with Ms Humphries for rehearsals and shows.

If your child is a **lioness** or a **giraffe**, please can they bring in a plain **yellow** or **brown** top with either **yellow, brown** or **black shorts/trousers**.

If your child is a **bird**, please can they bring in a plain **top** and plain **trousers/shorts** that are of a bright block colour (they can wear different colours on the top and bottom half).

If your child is a **monkey**, please can they bring in a plain **brown** or **black** top and **shorts/trousers**.

If your child is a **zebra** or a **hunted animal**, please can they bring in a plain **black** or **white** top and **shorts/ trousers**.

If your child is an **elephant**, please can they bring in a plain **grey** or **black** top and **shorts/trousers**.

If your child is a **wildebeest/grass**, please can they bring in a plain **black** or **brown** top and **shorts/ trousers**.

If your child is a **heyena**, please can they bring in a plain **grey** or **black** top and **shorts/ trousers**.

If your child is involved in **sound, lighting** or **stage management (props)** then please can they bring in plain **black** clothing.

If you have any questions or are unable to source these items, please do not hesitate to get in touch and we will provide further help.

Kind regards

Ms Humphries
Music Teacher
