Year R
Little City Role Play Visit
Monday 22nd June 2026

Dear Parents/Carers,

Our second visit from Little City will take place on **Monday 22 June**. They will set up a range of role-play opportunities in the small hall and the children will have time to play in each area to help develop their imagination, language and social skills. We will be observing the children to see how they have developed since the visit in September. We will also take photos and videos for you to view on Tapestry.

This is our last trip/visit of the year, so please check that you have made your voluntary contribution of £36.55. Payments can be made through Arbor, our payment system, either in full or by instalments.

If you have not yet registered to access Arbor, you simply need to set a password. Your username is the email address to which this message has been sent. Please go to <https://login.arbor.sc> and click 'Forgot your password?' to complete the setup of your account.

We look forward to sharing this memorable experience with the children.

Kind regards,

Reach for the Stars
