## Teaching Structure 2026-2027 and INSET Days

Dear Parent/Carers,

Please see the teaching structure for the next academic year:

<b>4</b>	<b>4A - Kahlo Class</b> Miss L Ashbolt (year lead)	<b>4B - Marquez Class</b> Miss I Palmer	<b>4C - Pele Class</b> Mrs K Lynch and Mrs C Staley

As you already know Mrs Joy will be retiring at the end of the academic year. I am also really pleased to announce that Mrs Humphreys is expecting her second child and will be going on Maternity leave at around October half term. Mrs Brooks and Miss Moody will then take this class over when they return from maternity leave (there may be a small period of time when somebody else shares with Mrs Brooks until Miss Moody returns)

I am very excited to say that we have a fantastic replacement for Mrs Joy – Mrs Goss, who is an experienced teacher will be joining us to share Mrs Campbells class.

You will also notice a change of class names. The children have worked hard on choosing the new class names and have picked people that shape our school values. I would like to thank our values leaders and governors, as well as Mrs Dulay and Mrs Silcox for working on this.

The children will come in as normal tomorrow and go to their current classes. They will then move to their new classes at 9.05am and return to their current class at around 11.30am. We will try to place some other transition moments during the rest of the term. This very much depends on the school calendar as it is quite busy!

A letter will come home confirming your child's new teacher; these classes cannot be changed from parental requests - there is a very fine balance to creating the classes, including academic balance and support or expertise that a teacher has in a classroom. I absolutely understand that some children may be upset with not being with a certain friend, however sometimes we have to make difficult decisions in the best interest of a child.
