Year 6

## Sex and Relationships Education (SRE)

Dear Parents/Carers,

As part of our Personal, Social, Health and Citizenship Education curriculum, Year 6 pupils will be taking part in Sex and Relationships Education (SRE) lessons during this half-term. We would like to let you know the topics that will be covered so that you can support your child and discuss any questions they may have at home.

During these lessons, children will learn about:

- Relationships and families
- How babies are made
- Puberty

To support the learning in class, children will watch selected **Operation Ouch! KS2 PSHE** videos from BBC Bitesize. If you would like to view these resources before they are shown in school, please let us know and we will be happy to share the links with you.

Parents and carers have the right to withdraw their child from the elements of Sex and Relationships Education (SRE) that fall outside the National Curriculum. If you wish to withdraw your child from these lessons, please contact your child's class teacher by **Friday 10th July 2026**.

A meeting will then be arranged with the class teacher to discuss your request. If, following this discussion, you still wish your child to be withdrawn, your child will be provided with alternative work in another classroom while these lessons take place.

If you have any questions or would like further information about the Year 6 SRE programme, please do not hesitate to contact your child's class teacher or me.

Yours sincerely,

The Year 6 Team

Reach for the Stars
