Year 3 – Sex and Relationship Education (SRE)

Dear Parents/Carers,

I thought it would be helpful to let you know about the areas we will be covering as part of our Sex and Relationship Education (SRE) programme during a PSHE lesson this half-term. This information may help you prepare for any questions or discussions your child may wish to have at home.

SRE is a compulsory part of our Personal, Social, Health and Citizenship Education Curriculum taught throughout the school. In year 3, children will learn about:

In Year 3, children will learn about:

- The correct terminology for parts of the body.
- Understanding which areas of the body are private and why they are private.

A copy of the school's SRE Policy is available for you to read should you wish.

Parents/carers have the right to withdraw their child from aspects of Sex and Relationship Education that fall outside the National Curriculum. If you are considering withdrawing your child, please discuss this with the class teacher by **Thursday 16th July**.

If you do not wish your child to take part in these lessons, they will be supervised in another class during the session. Should you require any further information or wish to discuss the programme in more detail, please do not hesitate to contact either your child's class teacher or myself.

Yours sincerely,

Mrs Humphreys

Year 3 Teacher
